

NASHVILLE UNION.

To Union Men Everywhere.

Friends, we have fairly commenced the publication of an unconditional Union Journal in Nashville, and so far as it has been possible for us to have access to the post-offices of Tennessee, it has been a wonderful triumph, and has won the hearty approval of the people. But the mails are at present confined to a narrow limit, and consequently our patronage cannot grow rapidly south of the city of Nashville. We therefore ask all who feel a desire to have a loyal newspaper published in this city—one which will bring to light hundreds of crimes and outrages committed by the rebels during their ascendancy over us, and which the guilty authors believed would never be brought to light—to come up immediately and sustain us, by sending in subscriptions and advertising. It will be of infinite importance to the Union cause in this State to have an uncompromising Union journal published at the capital of the State. The task of conducting such a newspaper will be a most arduous and responsible one. But we have laid our hand to the plough, and we wish to do our work well and honorably. Will not our Union friends in all parts of the county pour in their subscriptions? Strike while the iron is hot! Let us keep the flag of the Union, of law and order, streaming defiantly in the very face of the enemy, as he sullenly retires to the Gulf.

Post Office Notice.

The Postmaster requests us to inform the public, that by the Regulations of the Post Office Department, under recent acts of Congress.

1. The prepayment of drop letters is no longer optional, but all such letters not prepaid by stamps, are sent promptly to the Dead Letter Office at Washington.

2. The law requiring notice to be given of unpaid letters is repealed. Postmasters are directed to return to the Dead Letter Office "all letters held for postage, or attempted to be sent with stamps previously used, or stamps cut from stamped envelopes, and unpaid letters for foreign countries on which prepayment is required."

3. Letters to which the old stamps have been affixed, and letters inclosed in envelopes bearing the old stamp, are treated like any other unpaid letters.

4. Letters from soldiers may go forward without prepayment (the postage to be collected at the office of delivery), provided that each letter shall be endorsed "Soldier's Letter," and such endorsement signed by a field or staff officer, or "at detached posts or hospitals, it may be signed by the chaplain or surgeon." But letters to soldiers, not being from soldiers, and so endorsed, must be prepaid as other letters.

5. It is not advisable to send registered and valuable letters to soldiers in the field by mail. Every post-master is required by law to hold registered letters until they are receipted for by a person authorized to receive them. They cannot be sent out in military mails, by which soldiers usually receive their letters.

6. Unpaid letters cannot be sent out in military mails, until the postage is paid at the office to which they are charged on the way-bill, unless the post-master shall lose the postage himself. It is therefore best that all letters to soldiers should be prepaid, whether from soldiers or other persons. The number of unpaid and partially paid letters which arrive daily at the Nashville post office is too great to be turned into the military mails without payment of postage.

7. Officers who endorse "Official Business" on their letters, are informed that such endorsement does not entitle their letters to pass through the mails free of postage; and such letters cannot be transferred to the military mails without the postage being paid.
